ENHANCING ACADEMIC EXCELLENCE THROUGH HOME WORK SESSION

Beneficiaries (93) from neighboring communities engaged in our educational sessions at Oguaa Football for Hope Centre where they learn topics in; English, mathematics, and science. Home work session is structured such that Mondays to Wednesday are classroom learning, whilst Thursdays, Fridays are dedicated to library visit and core program activities respectively, these guarantee a comprehensive learning experience to all participants. in our Library, participants have to opportunity to explore variety of books to study thereby enhancing their language skills and by broaden their knowledge base significantly

DONATION TOWARDS CLEAN COMMUNITY INITIATIVE

Play Soccer Ghana donated supplies to support community clean-up exercises in Dehia on 8th March, 2024 in the Central Region; this support will help reduce the threat of poor environmental sanitation and improve public spaces in the community. The items included a wheelbarrow, shovels, rakes, cutlasses, rakes, and wellington boots. The donation was made in response to a community request during an advocacy meeting last year for items that the community will need in order to carry out regular clean-up exercises. The items were received on behalf of the community by the Assembly Member together with some Unit Committee Members.

INTERNATIONAL VOLUNTEERS

In collaboration with Assemble Members and some community opinion leaders, 2 clean-up exercises were organized in Dehia and Bakaano in the Central Region on monthly basis to improve the standard of hygiene in the communities. The clean-up exercises focused mainly on desilting choked gutters, weeding bushes and clearing refuse sites in the communities to prevent flooding especially during the rainy season. Also present during the clean-up was the Assembly Member for the electoral areas
